

# MIRA-CUBE™

Compact, Integrated SCR system  
for Diesel Engines.

↓ CO

↓ HCs

↓ NOx

↓ PM<sub>10</sub>

## INTEGRATED & PRE-PACKAGED

### INTEGRATED TECHNOLOGIES IN A SINGLE-HOUSING ASSEMBLY

The MIRA-CUBE builds on proven MIRATECH technologies and offers stationary engine owners/operators a more compact packaging option.

Everything is assembled into a compact, integrated package. The MIRA-CUBE is designed for diesel engines from 1000 to 4000 kw. The MIRA-CUBE is your solution for a combined, plug-and-play, skidded single-housing system.

### DESIGNED TO BE AN INTEGRATED PRE-PACKAGED SOLUTION

- Compact design fits on generator enclosures or inside engine rooms.
- Can achieve Tier 4 Final or better emission requirements.
- Integrates proven passive LTR™ low temperature regeneration DPF (500°F regen).
- Can be supplied as SCR-only or DPF-only—additional catalysts may be added later in order to meet future requirements.
- Integrated silencing up to 30 dBA

# MIRA-CUBE™ INTEGRATED SCR/DPF SYSTEM

**MIRA-CUBE INSTALLATION**

## RETROFIT READY

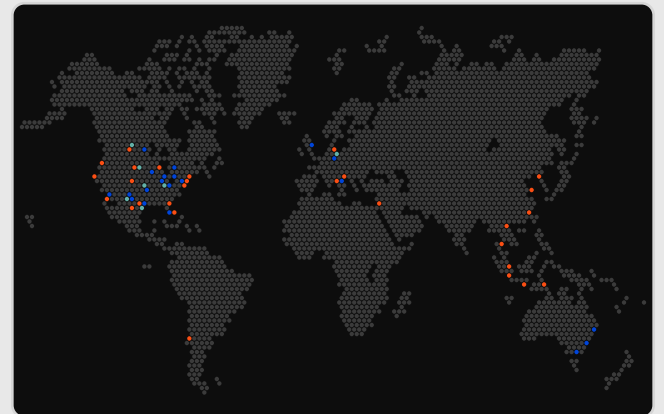

The MIRA-CUBE can be purposefully designed with your retrofit project in mind, featuring compact, integrated systems that fit on generator enclosures or within existing engine rooms. Retrofit deployments are simplified by utilizing one of our Reactant Tank Systems that combine DEF storage, dosing, and ACIS controls in a single weatherproof enclosure. The result is a clean, efficient retrofit solution that minimizes site impact while supporting future emissions requirements.

## SIMPLIFY YOUR INSTALLATION WITH PLUG AND PLAY

MIRATECH's plug-and-play SCR solutions simplify installation through fully integrated, skidded systems designed for fast, efficient deployment. Streamlined connections and reduced on-site construction help shorten project schedules and support quicker startups.

## FULL SUPPORT, CLOSE TO HOME

MIRATECH's service and support teams are available wherever you operate. With a large field service team strategically located throughout North America and around the world, MIRATECH delivers prompt, reliable support that's always just a phone call away. Our aftermarket parts and service teams maintain a robust inventory of in-stock components to help keep your systems running at peak performance.

## NEED EMISSIONS AND ACOUSTIC SOLUTIONS?

Since 1992, MIRATECH has been at the forefront in helping industries handle emissions and acoustic standards. Whatever your emissions needs may be, count on us for solutions. Just give us a call, **1-800-640-3141**, or visit our website at **MIRATECHcorp.com**.
